**NOTES:**
1. For modules not listed in this schedule, it will mean that the modules would have a combination of projects and quizzes.
2. The projects and quizzes will be held during class hours, usually in the last week of the term.
3. Failure to attend or submit the projects and quizzes will constitute a "Fail" grade.
4. The exam schedule will be final after add/drop period.
5. Students are not encouraged to travel out of the country during examination period.
