

## ARA ASSET MANAGEMENT LIMITED

**Dr Chua Yang Liang**  
Head of Group Research & Strategy

Dr Chua Yang Liang is Head of Group Research & Strategy, where he is responsible for monitoring, evaluating and forecasting the macroeconomic environment as well as major real estate markets globally. Through his analysis of the macro and micro market trends, Dr Chua provides research advice and market intelligence to support the Group's business decision-making and strategy formulation.

Prior to joining ARA, Dr Chua led the Southeast Asia research teams at Jones Lang LaSalle for over 10 years. His responsibilities included forecasting property markets, conducting market and development advisory, and providing commentaries to clients and the media on matters relating to property and urban policy issues. Dr Chua began his career in physical and strategic planning at the Urban Redevelopment Authority in Singapore.

Dr Chua holds a Bachelor of Science (Estate Management) (First Class Honours) from the National University of Singapore and a Master of City Planning and a doctorate from the University of Pennsylvania, USA. He is also an Adjunct Researcher with the Center for Liveable Cities, Ministry of National Development.
