

Isaac Leo
Director
SC Capital Partners

Isaac joined SC Capital in 2015 as part of the firm's then newly-launched APAC Open-End Real Estate Core Plus fund (SCORE+). He performs acquisition and asset management activities for the fund; spanning the office, logistics, retail and student accommodation sectors, across gateway APAC cities.

Isaac holds a Bachelors in both Real Estate and Accountancy from the National University of Singapore. Prior to joining the firm, he undertook various internships with GIC Real Estate's Corporate Investments and Debt team, Allianz Real Estate's Fund Selection team and CapitaMall Trust's Investment and Asset Management team. Isaac also represented NUS in the University of Southern California's International Real Estate Case Competition, where his team was delighted to have helped NUS place first.
