

**Ng Siau Yong**  
**Director**  
**GeoSpatial and Data & Chief Data Officer**  
**Singapore Land Authority**

NG Siau Yong is the Director of GeoSpatial and Data Division & Chief Data Officer at the Singapore Land Authority (SLA). He is a member of the UN Committee of Experts on Global Geospatial Information Management (UNGIM) and chairs the National Institutional Arrangement Work Group currently. Trained as an urban planner, Siau Yong started his career with the Singapore Urban Redevelopment Authority (URA). He later served the Ministry of National Development (MND) and the Ministry of Law (MinLaw) in various capacities. In SLA, he first assumed the position of Director, Strategic Planning and Policy and later Director, Land Asset Management Services, prior to taking on the current portfolio. Siau Yong had been actively involved in tertiary education. He served the National University of Singapore (NUS) for a considerable number of years as Adjunct Associate Professor teaching Urban Planning and Urban Policy in undergraduate and postgraduate programmes.
