

William Tan Tin Kwang
Head, Operations, Property Development
Head, Smart Development
Keppel Land China

Mr. Tan joined Keppel Land Group in Mar 2001, and was appointed as Head of Property Development (Operations) and Head of Smart Development on 1 January 2019. Prior to his current appointment, Mr. Tan held various senior management positions in Keppel Land China. He was the Regional Head, responsible for Keppel Land's business in North China. He also served as Chief Representative of Keppel Corporation in China from 2003 to 2009.

Mr Tan started his real estate career in China since 1994. Prior to joining Keppel Land Group, he was with a renowned real estate company in Singapore, responsible for Marketing, Investment and Business Operations of all the projects in Suzhou, Shanghai and Beijing.

In his current role effective from 1st January 2019, Mr. Tan oversees all property development operations for Keppel Land in China. As he also assumes the role of Head of Smart Development, Mr. Tan will drive the used of smart technologies and data analytics for generating a new engine of growth on top of property development.

A Singapore Chinese Chamber of Commerce and Industry Scholarship (1989-1992), Mr. Tan holds a Bachelor of Science (Estate Management) with 2nd Class Honors (Upper Division) from the National University of Singapore and he is also a qualified real estate appraiser.
