

CGIO'S RESEARCH NEWSLETTER

Governance, Sustainability and Global Trade

2019 continues to be another fruitful year for CGIO as it strengthened its industry engagements with institutions and organisations such as the Monetary Authority of Singapore, the Securities Investors Association (Singapore) (SIAS), Singapore Institute of Directors, Singapore Exchange, to name a few. In addition to these valued connections, CGIO also embarked on new partnerships with Carbon Care Asia, Global Reporting Initiative, Hinrich Foundation, Institute of Directors from India, Ministry of Culture, Community and Youth, and Zhejiang (S) Entrepreneurs Association to run executive programmes, research reports, seminars and forums aimed at uplifting the corporate governance and corporate sustainability scene in Singapore and the region.

Ongoing and New Research Projects

The following research projects are handled by CGIO's team of three researchers under Prof Lawrence Loh's leadership.

1. Singapore Governance and Transparency Index (SGTI)
2. ASEAN Corporate Governance Scorecard (ACGS)
3. SIAS Investors' Choice Awards
4. Sustainability Reporting
5. Sustainable Consumption and Production
6. Competitive State of Singapore's Ride-hailing Market
7. Workplace Diversity

Media Coverage

CGIO crossed the 500 media mention mark in November for the calendar year 2019, attesting to the relevance of corporate governance and sustainability research that it is doing. The coverage goes beyond Singapore, to include the Asia-Pacific region, the USA and UK. More details about our media coverage can be accessed at <https://bschool.nus.edu.sg/cgio/news-lists/>
