

Opening of NUS Real Estate Mentorship Programme and Industry Networking Dinner 2019

The **2nd NUS Real Estate Mentorship Programme** was opened on Friday, 25 Oct at the NUS Suntec City Guild House. More than 40 students from both the undergraduate and post-graduate programmes attended the networking dinner. We are indeed very honoured to have the support of many distinguished mentors who took precious time off their busy schedule to attend the networking dinner and mingled with the students and potential mentees.

The event is also a good opportunity for our post-graduate students to meet the industry leaders

from various key real estate firms.

We are grateful to all of our distinguished mentors who have generously dedicated their precious time to mentor the undergraduate student mentees for the past year. Looking forward to forging more meaningful relationships and guidance among the NUS Real Estate community.
